

## Coffees

SD Bell's have been importing and processing the World's finest teas and coffees in Belfast since 1887. We buy only the best, and most ethically sourced coffees from around the world, from the strongest Cuban to the most delicate Jamaica Blue Mountain. The time elapsed between roasting and drinking is paramount, so our experts roast daily, just yards from where you are seated, to ensure the beans give the maximum enjoyment in the cup.

- Filter Colombia Supremo
- Espresso
- Cappuccino
- Americano
- Latte / Iced Latte
- **Speciality roast cafetière**
