SD Bell's have been importing and processing the World's finest teas and coffees in Belfast since 1887. We buy the best, and most ethically sourced coffees from around the world, from the strongest Cuban to the most delicate Jamaica Blue Mountain. The time elapsed between roasting and drinking is paramount, so our experts roast daily, just yards from where you are seated, to ensure the beans give the maximum enjoyment in the cup.

Teas & other drinks

Our expertise in selecting and blending extends from popular breakfast teas, to exotic, subtly-flavoured whites, greens and herbals. We have provided these in loose-leaf form for generations, many from the same gardens for over a century, and from Rainforest Alliance and Ethical Tea Partnership estates.
